EDUCATION

Bachelor of Science : Computer Science, **Expected in 05/2026**
Concordia University - Montreal, QC

Relevant Coursework:

- Object Oriented Programming, Data Structures & Algorithms, Discrete Math, Introduction to Web Development, Formal Languages & Automata (current semester)

PROJECTS

Portfolio Portfolio Website (HTML, CSS, Javascript)

Personal Project, August 2024

- Developed a fully responsive personal portfolio website using HTML, CSS, and JavaScript to showcase web design skills, personal projects, coursework, and contact details.
- Designed user-friendly layouts with Flexbox, creating a custom navigation bar with integrated social media links and ensuring content alignment.

Core Competencies: HTML, CSS, Javascript, Front-End Development

CSV Sorter (Java)

Concordia University, Montréal, Québec, Fall 2023

- Developed a Java program to process book records from multiple CSV files, employing Exception Handling and File I/O to manage missing or corrupted data.

- Cataloged books by genre while validating and removing invalid records based on specific fields.

Core Competencies: Java, Object-Oriented Programming, Exception handling, File I/O.

Student Management System (Java)

Concordia University, Montréal, Québec, Winter 2022

- Developed a comprehensive grade management system in Java using object-oriented programming to calculate weighted scores, determine letter grades, and generate report cards for student performance analysis.
- Implemented modular functions to calculate minimum, maximum, and average scores across assignments and exams, enhancing reusability and maintainability while ensuring accurate data representation.

Core Competencies: Java, Object-Oriented Programming, Class Composition.

WORK HISTORY

BUSBOY 09/2021 to Current

Weinstein & Gavino's | The Keg, Montreal, Quebec

- Efficiently cleared and reset tables during high-traffic hours to ensure smooth service in a fast-paced restaurant.
- Maintained cleanliness and organization of dining and common areas, contributing to a welcoming environment.
- Collaborated with the front-of-house team to enhance guest experiences while upholding health and safety standards through proper sanitation procedures.

CAREGIVER 01/2021 to 08/2021

Compass SLS & ILS, Redding, California

- Provided compassionate care to clients, addressing their physical, emotional, and social needs while assisting with daily living activities to promote independence and dignity.
- Developed positive relationships with clients and families, fostering trust and open communication while monitoring and documenting health changes and promptly reporting concerns to healthcare professionals.
- Implemented individualized care plans and engaged clients in social and recreational activities to enhance their overall quality of life and well-being.

PIZZA DELIVERY DRIVER 10/2018 to 01/2021

Westside Pizza, Redding, California

- Prepared and cooked pizzas to order, ensuring quality and consistency in adherence to recipes.
- Delivered food orders promptly, consistently meeting customer expectations for service and delivery times.
- Handled cash transactions accurately, maintaining balanced financial records at the end of each shift while providing excellent customer service by addressing inquiries and resolving issues.

PRODUCTION MANAGER 08/2016 to 01/2018

Culvers, Lawrence, Kansas

- Ensured compliance with health and safety standards, while maintaining consistently high food quality through hands-on kitchen management.
- Developed and implemented strategies to optimize team performance, effectively managing and training kitchen staff.
- Strengthened leadership, problem-solving, and organizational skills in a fast-paced, high-pressure environment.
